Archbishop Moeller High School

"Kids Who Care"

Join us for our Foundation Game as part of the Ohio High School Athletic Association Foundation Service Week initiative! The OHSAA Foundation's community service initiative provides an opportunity for schools to incorporate community service as an extension of classroom learning. For each Foundation Game, participating schools are required to select a community service project(s).

A significant portion of the proceeds from our 2012 Foundation Game will be donated to Bill Brewer Foundation to assist with his children's education and to the OHSAA Foundation to provide scholarships and leadership training to student-athletes across Ohio.

We hope you will join us in support of the OHSAA Foundation Service Week and show that your student-athletes are "Kids Who Care."
